There has been slight improvement in the condition of His Holiness. He has been more peaceful. He retained lucidity for some short time since the 9th instant, when he made coherent enquiries of men and events. He was observed reading Viveka Chudamani for some time. He also performed Anhikam in brief on 10th and 11th instant.

Having failed to take shave on last Poornima day, He got it done on 11th instant, removing for the purpose to the Narasimha Vanam on the other side of the river. His lodgings are now shifted at his express wish to Satchidananda Vilas on the other side of the river, where every arrangement has been made for his attendance and comforts.

He had food properly and has slept for fairly long hours in the night.

Agent,
Sringeri Mutt.
